# ORCHIDS

---

The orchid has been held in high regard since ancient times. It symbolizes Deep Love, Beauty, Fertility, Refinement, elegance, and friendship. The color of the orchid can have additional profounder meaning such as

• **RED** – Red orchids symbolize passion and desire, but can also symbolize strength and courage.

• **PINK** – Pink orchids symbolize grace, joy and happiness, and can also symbolize innocence and femininity. It is the traditional flower of a couple's 14th and 25th wedding anniversary.

• **WHITE** – White orchids represent reverence and humility, innocence and purity, and elegance and beauty.

• **PURPLE** – Purple orchids symbolize admiration, respect, dignity and royalty.

• **YELLOW** – Yellow orchids represent friendship, joy and new beginnings.

• **ORANGE** – Orange orchids symbolize enthusiasm, boldness and pride.

• **GREEN** – Green orchids are thought to bring good fortune and blessings. They represent good health, nature and longevity.

NO.1 ORCHIDS EXPORTER IN THAILAND

## WHATEVER THE OCCASION, OUR ORCHIDS WILL MAKE IT SPECIAL!

Riona seeks to create more happiness in the world around us with our orchids by making people have a smile on their face when someone give them our flowers. As the No.1 orchid brand in Thailand, we believe that to make great quality products has to begin from the core, which means we take into account all the processes from flower cutting, flower selection to the delivery methods. While we are committed to adapt the new technology to post-harvest methods and continuously improve the quality and longevity of post-harvest flowers,

we also keep the reasonable price for you to add our flowers to your occasions, home, and office. Although with our own developed flower treatment solution, our orchids can now stay up to 21 days, we never stop making our treatment even better. Moreover, as we believe in deep collaboration and cross-pollination of our groups which allow us to develop in a way that others cannot, we have more than 100 trusted contracted farms, apart from our own farm, to provide us enough the best quality flowers during high season.

# DENDROBIUM

Dendrobium orchids grow in a huge variety of shapes and colors, suitable for doing a long bridal bouquet, elegant wedding decoration, many occasions. In some countries, these orchids are given to teachers, lovers, and elders during their special day. Dendrobium can be arranged with many other flowers including roses, hydrangea, and other types of flowers.
